Quick Link Overview

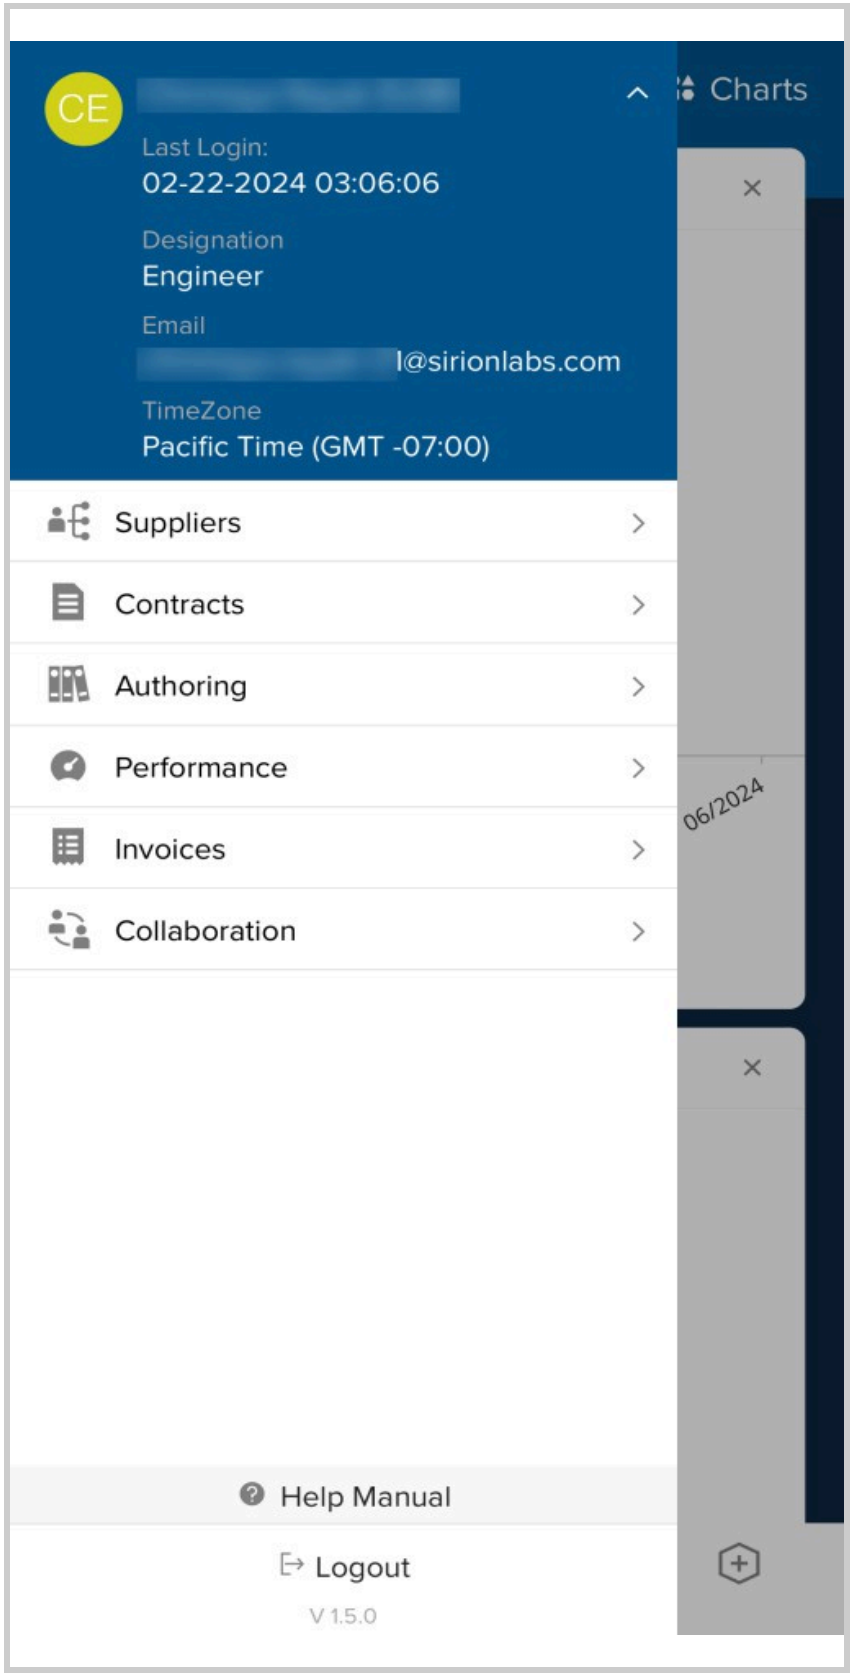

Published on Apr 24, 2025

Focus Listen

The Quick Link Panel displays the user account information, Entity quick links, and the Logout button. By default, the Entity Quick Link Panel collapses when the home page is loaded, which can be expanded by clicking the Quick Link Panel () icon.

You can view the account information under the Quick Link Panel. By default, only the **Name** and **Last Login** details of the user are displayed under this section. You can view the information such as Designation, Email, and Time Zone of the user account by expanding the () icon.

User Account Information

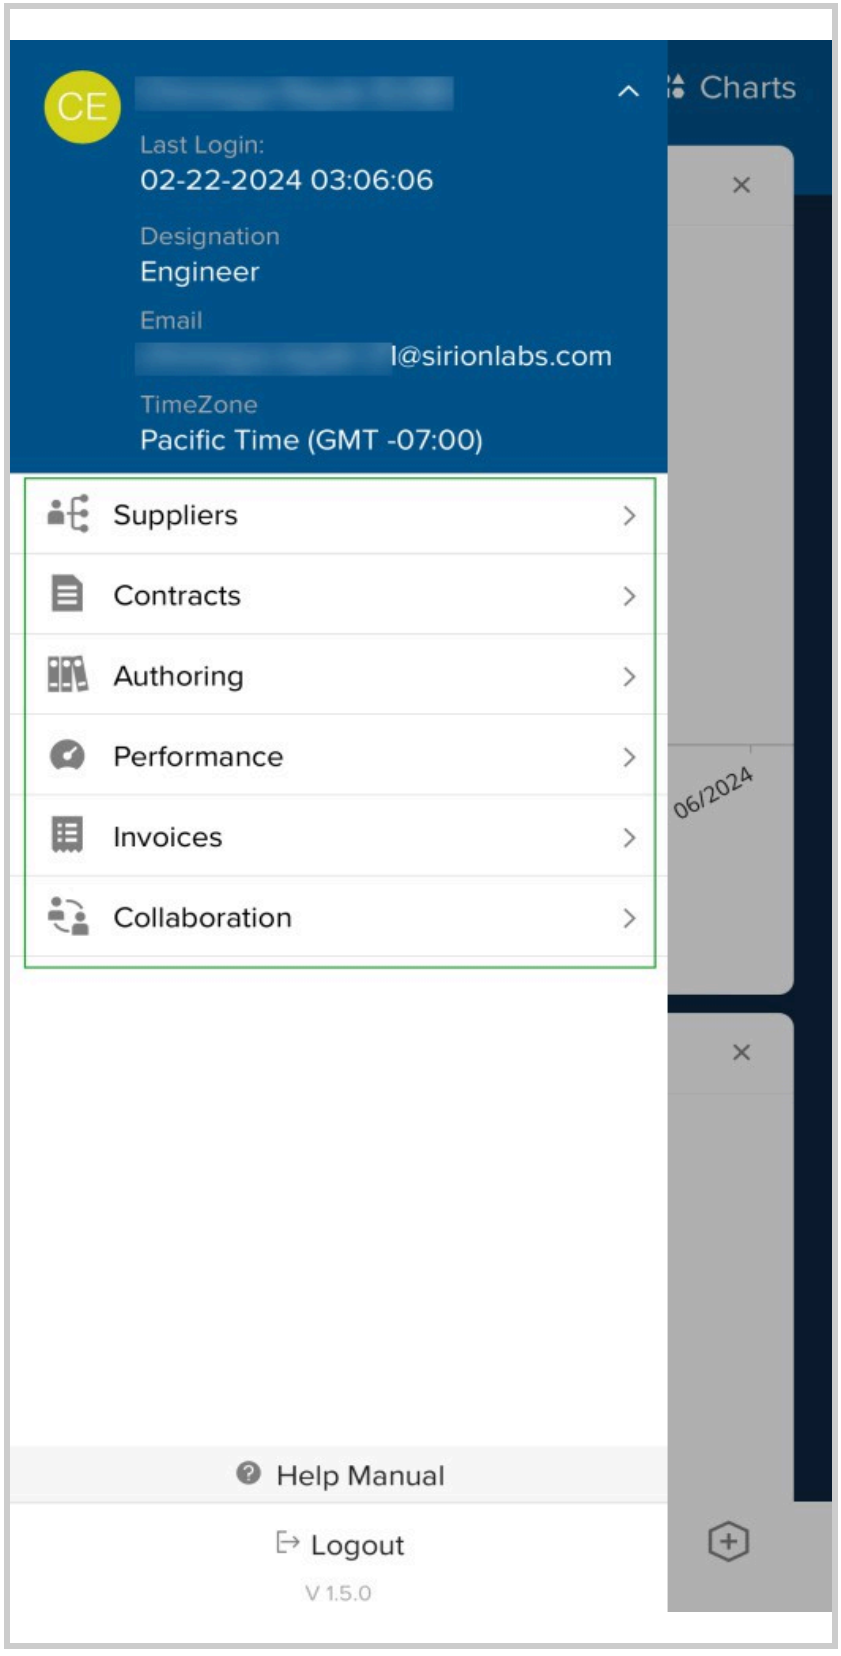

Entities Quick Links

The following entity quick links are available in the **Quick Link** panel under different groups:

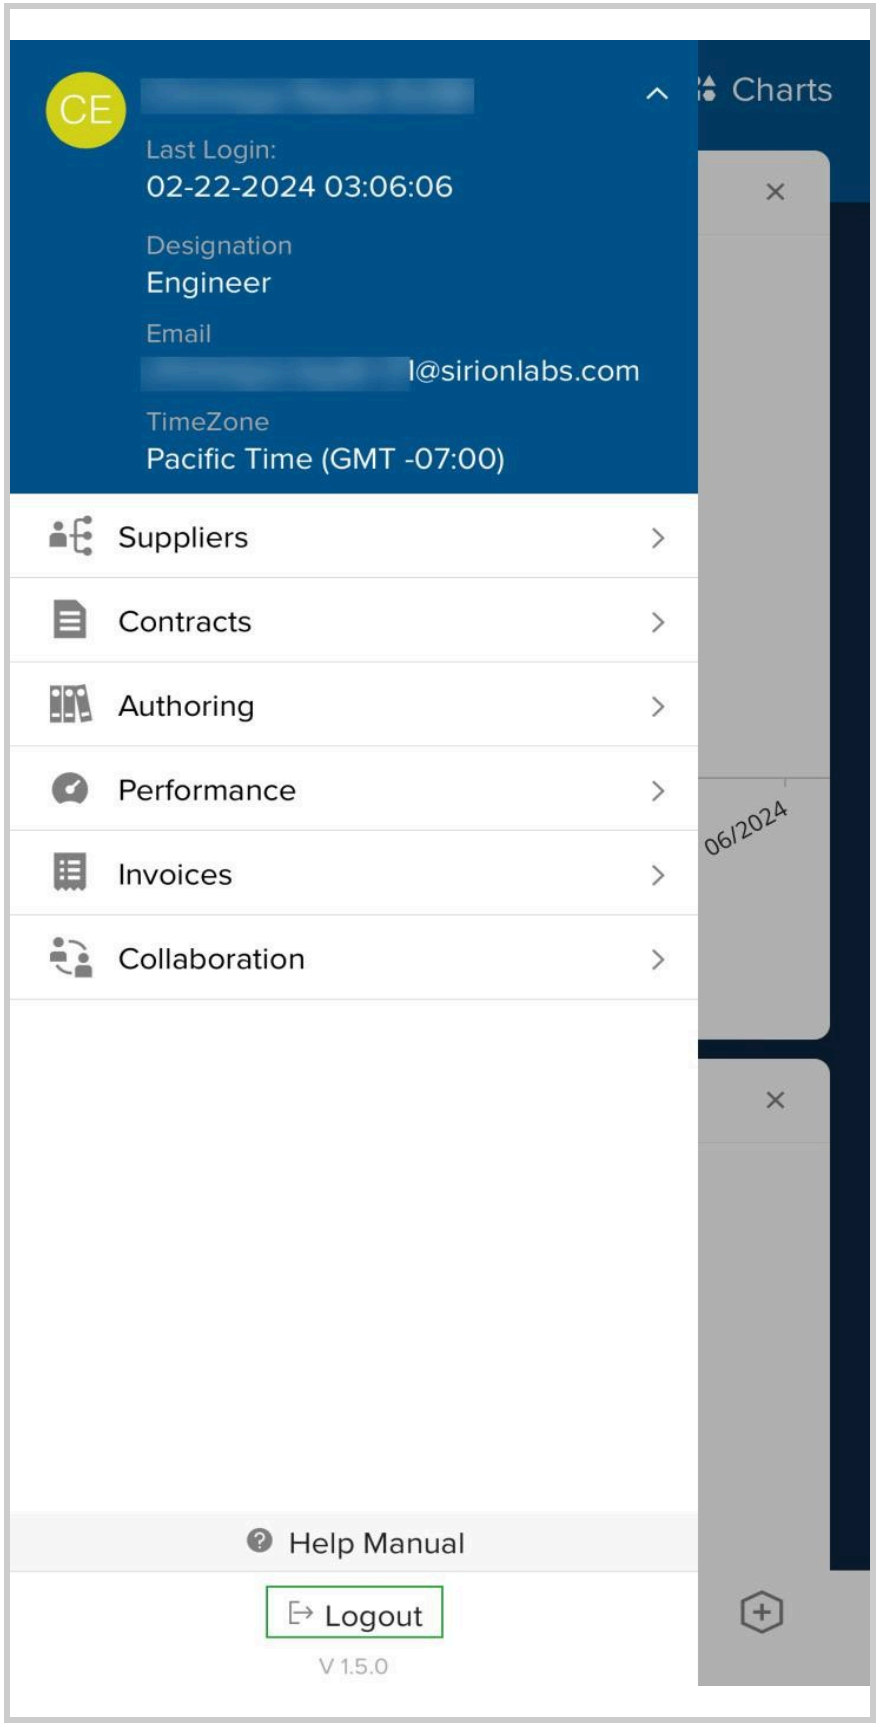

- Contract Requests

- Suppliers
- Contracts
- Obligations
- Service Levels
- Actions
- Issues
- Consumption
- Invoices
- Change Requests
- Interpretations
- Work Order Requests
- Governance Bodies

Logout

You can log out from the Sirion mobile application using the **Logout** button from the Quick Link panel.
